JANUARY 1942 WHOLESALE PRICE LIST

R. W. POINDEXTER NURSERY

1000 North Temple Street, Compton, California

SALES CONDITIONS: Prices include packing but not transportation costs. Quantities quoted are minimum at these prices. This list is complete as to the stock available at present and supersedes and cancels all previous lists. Cash should accompany order unless goods are shipped c.o.d., or unless credit has already been established. 2% discount will be allowed for cash with order. All material is offered subject to prior sale of stock on hand.

ASSORTMENTS: Many buyers, particularly those who are not familiar with our line of goods, prefer to have us make up an assortment with a view to their particular type of trade. This leeway of choice enables us to give maximum satisfaction by furnishing plants which are looking best at the time the order is made up. All assortments include 100 or more plants and usually 10 of each variety. A dealer is thus able to obtain less than 100 plants of a kind at the 100 price. All plants are labeled unless otherwise specified.

ALL-IN-ONE ASSORTMENT--50 different varieties of cacti and succulents, 100 unlabeled plants.....	\$5.00
